## WINTER LEAGUE WINNERS & CALCUTTA RESULTS

Enclosed in this mailing is a list of the Winter League winners and also a copy of the results for the Calcutta. The auction that was held on Saturday night brought in \$5635.00 for 86 shooters. This is the best year we have ever had for a Calcutta auction. There was also a raffle held that night which brought in \$1302.00. The Board of Directors would like to thank everyone who helped this past weekend with setting up and getting ready for the banquet. We would also like to thank the Shooting Committee members for all of their hard work during the league and this past weekend. And a special thank you goes out to Terri Meyerink, for all the work that goes into keeping track of the scores, ordering awards, meat for the banquet and scoring the Calcutta. People do not realize how much time and effort goes into that part of league, and we would like to let Terri and everyone who had a hand in taking care of Winter League 2006 how much we appreciate all their hard work.

The Board of Directors

### EUCHRE THANK YOU

I would like to thank everyone who helped with the Euchre nights this past winter. Also thank you to everyone who came out and played. We had a great year. After 3 nights, we made the club \$1195.55. Not too bad.

## CORPORATE OUTING SEASON IS HERE!

Just a heads up to everyone, that we are coming into our busy time for Corporate outings at the club. We are always in need of volunteers to help work at these shoots. Please watch upcoming newsletters and the bulletin board at the club for information and sign up sheets for upcoming events. Remember, that the more volunteers that we have working the better the bottom line is for the club. These shoots are a big part of our revenue during the slow summer months. Any help that you can give at any shoot would be greatly appreciated.

## OLD CLUB PICTURES

Wes Tolan is looking for any old pictures that anyone may have of the club. He (along with some other members) are working on putting together a club history and would like any photographs that would help tell the story. If you have any specific memory of so called "Club History" give Wes a call, we're sure he would like to hear it and possibly include it in his writings. (616) 868-6314
