12pm to 4pm

Saturday, November 10th

Fees will be as follows:

Members \$5 per 1/2 hour
Non-members \$10 per 1/2 hour

Charters please note that if you wish to use the range during these times you will be charged the above members rate. This is a very busy time and we are looking for some volunteer

help with these two weekends. If you can lend a hand please contact Lance Kingma. If anyone has a spotting scope that they would be willing to let us use, it would be a great help.

Charters that are scheduled to work on these weekends, please note that 2 of you are scheduled as outside to work on the range. Please dress accordingly.

We will be advertising in the local papers, so please be advised that these could be some busy weekends.

Good Luck and Happy Hunting to everyone this year during Hunting season, whether it be here in Michigan or some other location.

NEW CLUB MANAGER

We are pleased to announce the hiring of our new club manager, Cathy Blain. She is replacing John Novak, who has been the club manager for a number of years past. Please take a moment to congratulate Cathy on her new position, and wish her much success. We would also like to thank John for all his years as our club manager and wish him luck in the future.

FOUNDATION NEWS

The Club's Foundation completed it's second raffle on September 29th. Bags of lead shot were won by Deb Rogers, Bob Smrcina and Tom Purdy. Thanks to all who helped sell tickets and to raffle coordinator Brian Trumpie and to those who bought tickets; your efforts and generosity netted over \$800.

Mark your calendars for January 25th, 2008. That's the date for the next Sportsman's Banquet. Tickets will go on sale sometime in December and could be difficult to get if you procrastinate on buying your seat.

Also a note of thanks to the following individuals who pledged tax deductible donations to underwrite the cost of the pine ceiling in the new meeting room upstairs:

Larry Havard	Al Potas
Ed Rogers	Bob Smrcina
Paul Tolan	Wes Tolan

We still need a few donors so if you'd like to help defray that cost, please contact Bob Smrcina or Al Potas.

ARCHERY NEWS

The indoor winter archery leagues will begin in early January 2008. Details will appear in the December club newsletter, or contact Al Potas (616 698-2051) for information. Please identify a new recruit and bring them along; special dues rates will again be in effect for first time members.

For those who entered the archery big buck contest, mark your calendar for the judging and awards on Sunday, January 6th at 2:00 pm at the club. Of successful hunts reported so far, C.J. Havard took an 8 point with an 11.5 inch inside spread. Bob Gehl bagged an 8 pointer with a 10 inch spread at a distance approaching 50 yards. There are some hard luck stories as well—just too embarrassing to mention.

NEW HANDICAP PARKING

If you haven't noticed yet, we have a new cement handicap parking area. Handicap parking signs are located in front of this area. The parking area is located on the west end of the parking lot, right up by the fence. Please be sure to observe this area as handicap only. **Do not park up on the side of the cement, as we are trying to get that area seeded with grass.** This parking area and the work to put it in was a donation from the Pursuing A Dream Foundation. You will also notice new cement around the gun rack, which was also from them.

CHRISTMAS GIFT IDEAS

Looking for some Christmas ideas? How about a club jacket or something with some embroidery on it. There is a book available at the club with embroidery designs that are available. If you are interested in ordering embroidery items, contact Deb Rogers. Some other ideas may be Shooting cards or Club Memberships, which are available at the counter.

Women In The Outdoors

The club will be hosting a Women In The Outdoors/NWTF event next year on July 12th. We are looking at 50 plus women participating in shooting and non-shooting activities. We would like to put a committee together before the new year and have our first meeting in January. If you would like to be part of this new and exciting up and coming event or be an instructor the day of, please call Deb Rogers at (616) 534-0612. Also watch the bulletin board for more information.
